National Prayer Weekend 29th September – 1st October

This year we are taking our prayers for our community out into our community. We will be prayer walking in Stone on Saturday 30th September, meeting at SJB at 2.15pm. There are several ways in which you can take part:

Join us on the walk!

We will be praying for our community. If you have any suitable prayers or would like to write some for us, please send them in to J.Pickup@stonedintonhartwell.com or put them on the prayer table at the back of the church.

Volunteer as a prayer station host. We want several homes of church members to be prayer stations along our route. That means we will stand outside your home and pray! we would also like you to deliver a printed card to all your neighbours a day or two before so we can explain what we will be doing.

Remain in the church until we return at approximately 4.15pm for final prayers. This is to welcome any visitors coming for personal prayer.

For further details please speak to Jenny Pickup, Eryl Morgan, or Liz Tomkins.

Dinton church will be open for personal prayer and quiet reflection on the Saturday and Sunday 2-4pm. Afterwards, if you wish, stay for a cup of tea and a scone.

Focus Groups

Being part of a church is about building relationships, worshipping God, sharing the ups and downs of life, growing and sharing our faith, and reaching out to a world in need.

Focus Groups are a way of getting together in smaller, informal settings and exploring these issues.

The following groups are running this Autumn:

Alpha Course

Drawing and Painting

Pastoral Care

Big Questions

Parenting

Autumn Dates: Weeks beginning 23/25 Sept, 9th, 23rd Oct, 6th, 20th Nov, 4th Dec

Look out for the leaflet and book on the focus group that works for you or contact focus@wychertvale.org

Angel Tree

We are starting a new coffee cup collection for September and October. Angel Tree supports prisoners' family relationships by providing a way for them to give Christmas presents to their children. Local Prison Fellowship volunteers work with churches and prison chaplains to buy and deliver the presents. As long as prisoners are allowed access to their children, they are given the opportunity to apply for a gift to be sent to them. Each gift is dispatched as though it is from the parent in prison and is accompanied by a personal message written by the parent for their child.

Angel Tree is a very simple and incredibly rewarding way to help prisoners keep contact with their families, which has been shown to reduce re-offending. Those prisoners being visited by a partner or family member have a 52% reoffending rate as compared to 70% for those who do not.
