John the Baptist Stone – Church of England

JULY 23 – 29

### INTERNET ISSUES

"Carefully determine what pleases the Lord. Take no part in the worthless deeds of evil and darkness; instead, expose them ... Make the most of every opportunity ... Don't act thoughtlessly, but understand what the Lord wants you to do."

EPHESIANS 5:10-17 (NEW LIVING TRANSLATION)

- SUN 23** Mighty God, thank You for every opportunity for members of Your Church to use online communication creatively. May Christian websites, emails and social media platforms be increasingly effective in spreading the gospel and sharing information, worship resources and bible teaching across the world. Amen.
- MON 24** Remember children, so adept and familiar with the digital world, who need protection from inappropriate online material. Pray particularly for those who have viewed violent and depraved pornography that could seriously affect their emotional health and attitudes to sex and intimacy.
- TUES 25** Pray about the growth of online betting in the UK – worth approximately £4.5 billion last year. Pray that those who have become addicted will find help and that gambling sites will be prevented from exploiting underage and other vulnerable users.
- WED 26** Lord, we give thanks for the amazing advantages of the internet to business, commerce, health and social care, education, science, public affairs, arts and culture and much more. We pray that online communication will increasingly benefit people living in countries that are otherwise isolated. Amen.
- THURS 27** Pray for those working at the new National Cyber Security Centre – part of intelligence agency GCHQ – to be given insight and wisdom to help them be vigilant and skilful in their efforts to prevent hackers from infiltrating, damaging or destroying public and private computer networks.
- FRI 28** **THANKSGIVING:** for Lady Howe's long-awaited success in persuading the Government to include in the Digital Economy Bill her recommendations to protect children online by requiring adult websites to add age verification checks. Pray that this measure will be effective.
- SAT 29** Pray that new government guidelines will curb the pernicious practice of trolling – posting hateful, obscene or threatening messages on social media. Pray for those who are affected, particularly the one in four teenagers who report being abused online over their sexual orientation, race, religion, gender or disability.
