Coffee Cup Collection September and October

Our coffee cup collection is for the work of the Prison Fellowship. They run the 'Angel Tree' project which we have supported before.

It supports the relationship between offenders and their children by enabling them to send a small gift to their children at Christmas. It also runs 'Sycamore Tree' courses in prisons that encourage offenders to take responsibility for their crimes and to recognise the impact it has had on their victims.

It is based on the story of Zacchaeus in the gospel of Luke. October 14th- 20th is National Prisons week and on October 21st Revd. Sue Smith who is a prison chaplain will be speaking to us in our morning service. We will also be serving 'real' coffee that has been roasted by the young offenders in Aylesbury prison.

Do You Have A New Neighbour?

If so then we need to WELCOME them to the street, church and community.

In the porch you will find one of the new WELCOME Packs all ready to go, just add an up to date Parish News and go and meet and greet your new neighbour.

The pack will provide a talking point and a lot of information for your new neighbour.

It's all of our responsibility to do this and even if you don't manage to speak to your new

Indonesia Emergency Appeal

Stone Methodist Chapel have decided to donate the profits from their First Sunday Lunch this Sunday to the DEC Indonesia Emergency Appeal and you are invited to come along perhaps for a cup of tea or coffee and cake and make a donation, if you don't want a chicken drumstick or ploughman's lunch!

Kettles will be boiling soon after 12 o'clock.

Safeguarding Officer

Everyone who participates in any church event should know they are safe. This is true for young and old, women and men. We all should know we are safe.

In order to ensure we are as welcoming as possible our lay and ordained ministers regularly attend training and we are asking anyone who welcomes people, or has any role to do the same. We want to be confident in maintaining safety for all.

We are in search for a new Safeguarding Officer to organise us and encourage us. They will also know what to do if anything is reported. They will work with Benefice team and have support. Please consider if you are the right person to take on this role. Contact Canon Phil - 01296 748390

Please pray with us:

Dear Lord, you counted vulnerable people and children as your friends.

You sat with them, held their hands, and loved them.

Help us care for all, young and old, and ensure they are safe within our community.

We pray that you will send your Spirit on us and give confidence to one of us to take up the role of Safeguarding Officer.

Give us the grace to support them in their role. Amen

Royal British Legion Poppy Appeal 2018

It is only a few weeks now to the start of the Poppy Appeal on 25th October. We always need more help with static sales at the shop, places that will host a collecting box such as businesses in the parish and door to door collecting.

If you can help please let me know.

Stone Memorial Needs You

WILL YOU HELP?
It would be nice to decorate the memorial with knitted poppies for the 100 year remembrance service to be held at the recreation ground. I have started knitting but realise that I can't do this without lots of help; this is where you and your friends come in. Would you help me to either knit or crochet poppies? size and shade of red doesn't matter it's just the quantity!
There are lots of patterns on the internet but the one I have is very simple but effective. I can let you have a copy by email or you can collect one from the box in Stone church porch where all completed poppies can be left. I hope to get more collection points as we go along. Time is ticking so please get knitting or crocheting and encourage anyone who you know to join in too. We can not have too many!
Thanking you in advance.

Memorial Poppies Update

Thank You!
We have over 100 knitted poppies but please don't stop, you are amazing!
It has been suggested that after the memorial service we invite people to take a poppy and if they want put a donation to the Royal British Legion.
If this can actually happen not only are you helping to create a memorable sight at the memorial but raising money as well.

THANK YOU
