

!!!! Cafe in the Park in Heatwaves !!!!!

The Cafe Management Team recently discussed what we should do in heatwaves. We are concerned about people walking to/from Cafe in the heat and volunteers working in the heat - especially as the Pavilion aircon doesn't seem able to cope. So it was decided that **Cafe will NOT run if, at 5pm on the Sunday, the forecast temperature for NOON on Tuesday is 30C or above.** A message will be posted by the end of Sunday on the **Stone, Buckinghamshire Community Support Group** Facebook page if Cafe is cancelled for the Tuesday.

If you do not use Facebook and would like to be contacted - please ring Naomi on 07425140887. **Naomi x**

The Parable of the Sower

Matthew 13:1-9 & 18-23

13 That same day Jesus went out of the house and sat by the lake. ²Such large crowds gathered around him that he got into a boat and sat in it, while all the people stood on the shore. ³Then he told them many things in parables, saying: "A farmer went out to sow his seed. ⁴As he was scattering the seed, some fell along the path, and the birds came and ate it up. ⁵Some fell on rocky places, where it did not have much soil. It sprang up quickly, because the soil was shallow. ⁶But when the sun came up, the plants were scorched, and they withered because they had no root. ⁷Other seed fell among thorns, which grew up and choked the plants. ⁸Still other seed fell on good soil, where it produced a crop—a hundred, sixty or thirty times what was sown. ⁹Whoever has ears, let them hear."

¹⁸"Listen then to what the parable of the sower means: ¹⁹When anyone hears the message about the kingdom and does not understand it, the evil one comes and snatches away what was sown in their heart. This is the seed sown along the path. ²⁰The seed falling on rocky ground refers to someone who hears the word and at once receives it with joy. ²¹But since they have no root, they last only a short time. When trouble or persecution comes because of the word, they quickly fall away. ²²The seed falling among the thorns refers to someone who hears the word, but the worries of this life and the deceitfulness of wealth choke the word, making it unfruitful. ²³But the seed falling on good soil refers to someone who hears the word and understands it. This is the one who produces a crop, yielding a hundred, sixty or thirty times what was sown."

Neighbourhood policing

Every neighbourhood in the Thames Valley area has a dedicated neighbourhood policing team that works together with the local community to reduce crime and incidents and improve public confidence.

Neighbourhood policing teams are led by senior police officers and include police officers, Police Community Support Officers (PCSOs), police staff, police support volunteers and the Special Constabulary. They aim to make communities safer through an approach that is focussed on visibility, engagement, problem solving and community resilience. Our Neighbourhood Police Team will be holding a **'Have your Say'** meeting at:

Bishopstone (outside the Village Hall)

On: Thursday 16th. July at 10am

Do go along if you have any questions or just want to hear what they have to say.

Coffee Cup News

Thankyou to everyone who donated to Christian Aid. In total we are sending them £360.79. Of this £202.25 was from the Coffee Cup collection, and £158.54 was from donations in the Café during Christian Aid week.

For the next two months we will be giving our Coffee Cup money to the **International Centre for Eye Health** because Clare Davey has a close association with this charity from her work as an Eye Doctor.

The International Centre for Eye Health (ICEH) currently has more than 50 staff working to improve vision and eye health worldwide. Their emphasis on collaborative working means they are a diverse, global community with a shared purpose. They engage in a large variety of activities, spanning research, education, capacity development and technology. All of their work is done in partnership with colleagues in low- and middle-income countries, and it is focused on populations with the greatest needs. ICEH is based at the [London School of Hygiene & Tropical Medicine](https://iceh.lshtm.ac.uk/).

Joyfull Juniors

We meet today for the last time before we take a break for the holidays. We welcome children to come and have fun as we learn about the Bible stories through activity and crafts.

Joyfull Juniors are having their end of year party today. Thank you to everyone who has helped, attended and just enjoyed the first academic year of **JOYFULL JUNIORS**.

We welcome families at all our services though so even through the summer break we will be pleased to see you.

See you in September!
