### What is a Annual Parochial Church Meeting?

Every parish must hold (no later than 31 May in each year) an Annual Parochial Church Meeting, often referred to simply as the 'APCM'.

This annual meeting reports on changes to the electoral roll, parish activities and financial matters. Every year we elect members to the PCC. Every three years, it is also the occasion when new members to the Deanery Synod are elected.

### What is a Annual Vestry Meeting?

The annual meeting of parishioners (also referred to as the annual vestry meeting) is held yearly in every parish of the Church of England to elect churchwardens and deputies (if any) for the forthcoming year. The meeting must be held by 31<sup>st</sup> May and is commonly held immediately prior to the annual meeting of the parochial church council.

#### Who can Attend?

Anyone on the Electoral Roll are permitted to attend and vote.

#### What is the PCC?

A Parochial Church Council (PCC) is the executive committee of a Church of England parish and consists of clergy and churchwardens of the parish, together with representatives of the laity. Legally the council is responsible for the financial affairs of the church parish and the maintenance of its assets, such as churches and church halls. It also assists the clergy in the management of church affairs in the parish, and promoting the mission of the church.

### 2024 APCM Minutes

# Minutes of The Annual Vestry Meeting held at 8.00pm, Wednesday 22nd May 2024 at St Peter and St Paul, Dinton

#### **Present:**

Chair: Rev'd Phil Groves, Associate Rector of Wychert Vale Benefice. 27 Parishioners

Rev'd Phil Groves opened the meeting with a short reading from 1 Corinthians 13, reflecting on Faith, Hope and Love.

Rev'd Phil Groves thanked the Church Wardens, Mrs Rosemary Jackson, Mrs Sue Birrell and Mr Raymond Medhurst for their hard work which is a huge amount of work and is often unseen and behind the scenes. We also thanked Mr Terry Cooper for his work as assistant Church Warden.

#### **Election of Churchwardens**

Mr Stephan Medhurst advised that prior to this meeting, there were three nominations received for the office of Churchwarden for the forthcoming year.

The following Churchwardens were nominated and unanimously elected by the meeting.

Mrs Rosemary Jackson Mr Raymond Medhurst Mrs Sue Birrell

These three people were duly elected as Churchwardens to serve to the 2025 APCM unless this changes by order of the Bishop.

Churchwardens serve the whole parish no matter where they are located, or worship and members can approach any churchwarden for help, support or advice.

Mr Terry Cooper volunteered to act as assistant Church Warden again.

The Annual Vestry Meeting then closed.

#### **Present:**

Chair: Rev'd Phil Groves, Associate Rector of Wychert Vale Benefice.

27 Parishioners

#### **Apologies:**

Rosemary Jackson, Nigel Fetherston, Cassa Messervy, David Pickup, Sue Smith, Clive Corbould

#### 1. Minutes of Last Meeting

The minutes were accepted as being a true record of the meeting and signed.

#### 2. Report of the Electoral Roll

We are up to 67 on the Electoral Roll, up one from 66. Phil thanked Dee for maintaining the electoral roll.

#### 3. PCC Members

Phil thanked Mrs Eryl Morgan for her years of Service as she stepped down.

Mr Rodger Withers was elected to join the PCC.

#### 4. Annual Report for 2023

Stephan Medhurst advised that the Annual Report on the working of the Parish during the last year was included with the APCM booklet and a copy is held with the minutes of this meeting.

Phil reflected on how it had been an encouraging year with services recovering. No questions were raised.

#### 5. Finances and Accounts for 2023

The functions of the treasurers are being carried out by the finance committee as we are still without an accountant. Anyone interested in taking on this role needs to talk to Richard Smith.

We have recently swapped from excel to an online software. As part of this process, we have changed from an accrual to a receipts and payment system where everything is in 1 year and not carried forwards or backwards. This also means we can not do a line-by-line comparison with 2022.

Both our expenditure and income has increased, with our reserves increasing by approximately £2000.

The Barclays Dinton Organ Fund account has been moved to a restricted fund in the main PCC account as Barclays were trying to close the account.

We have set up a Skipton account for the SJB facilities account which will enable us to gain interest.

We pay the benefice approximately £3000 which covers any work the benefice does for us, including admin for life services and assisting clergy. St Mary's, Haddenham pays las largest portion of the split.

Thank you to Naomi for her work as book keeper and for transferring us to the new system.

Thank you to everybody who gives generously, we are looking at reducing our bills over the coming year as they are currently fairly large.

It was clarified that the Dinton Organ Fund was for a restoration and not general repairs.

It was noted that we would like to see some summarised reports to be able to see what we are spending where.

Raymond proposed that we accept the accounts as presented. Terry seconded and everybody agreed.

#### 6. Nomination of Independent Examiner

Richard reported that Steve Marks is happy to be our independent examiner, and he would nominate him again. Being part of the Aylesbury Methodist Church, Steve knows how churches run and operate which makes it easier when verifying the accounts.

Richard Smith proposed we appoint Steve Marks as our Independent Examiner and Sue Birrell seconded. All those present agreed.

#### 7. Church Insurance and Policy

Richard reported that our insurance is renewed each June. We are fully insured for our needs and its currently value for money.

We are UpToDate on all our inspections and all relevant certificates are on display in the Churches.

#### 8. Report on Fabric Goods and Ornaments;

#### St John The Baptist, Stone & Ss Peter & Paul, Dinton

At Stone there has been a lot going on. The churchyard is looking very good with a very small core team of Ivor, Sue and Steve being very committed and spend time most week on the churchyard, joined by various people who have joined us for the Saturday working parties.

In Dinton the building is being heavily used and we have renewed the derelict sheds.

Many thanks to the small cleaning teams at each church who keeps them looking clean and tidy, a thankless task.

#### 9. Report from Safeguarding Officer

Safeguarding is a standing item for the PCC to look at each meeting. Clare Davey is our Safeguarding Officer.

We work inline with the Diocese of Oxford Handbook with information posters in place within the churches. All PCC members are required to undertake training when they join the PCC.

#### 10. Report on the Deanery Synod

The Deanery Synod are starting to get momentum back but it is still very mixed post Covid. Jonathon is now our Area Dean. There will be a full report for next years APCM.

#### 11. Rectors Report

Cassa has stepped back a little from our parish and is leaving Phil to run it.

Evensong is steadily growing with attendees from across the benefice.

Phil thanked Chris and her work in leading the choir.

Thank you to Sue for running Socially Crafty and to Naomi for running Café in the Park.

We host the schools regularly for school services and festivals and the interaction is good.

#### **12. AOB**

It was asked whether the APCM could be earlier next year to make it easier to remember what has happened. This will go to the next PCC meeting.

Meeting Closed with the grace at 21:05

# 2024 Annual Report

#### Parish of Stone, Dinton and Hartwell Annual Report 2024

#### **Aims and Purposes**

Stone, Dinton & Hartwell Parochial Church Council (PCC) has the responsibility of cooperating within the Wychert Vale Benefice to promote in the ecclesiastical benefice the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

The Wychert Vale Benefice was formed on 1<sup>st</sup> March 2016 as the joining of the former Benefices of Haddenham with Cuddington, Kingsey and Aston Sandford and the parish of Stone and Dinton with Hartwell. The parish is part of the Aylesbury Deanery, which is part of the Diocese of Oxford.

Our Rector is Rev'd Cassa Messervy and our Associate Rector is Canon Dr Phil Groves.

The PCC is also specifically responsible for the maintenance of the Churches of St John the Baptist, Stone and St Peter and St Paul, Dinton.

#### **Objectives and Activities**

The PCC is committed to enabling as many people as possible to worship at our churches and to become part of our parish community and the wider benefice. The PCC maintains an overview of worship throughout the parish and makes suggestions on how our services can involve the many groups that live within our parish. Our services and worship put faith into practice through prayer and scripture, music and sacrament.

When planning for the year, we try to enable people to live out their faith as part of our parish community through:

- Worship and prayer; learning about the Gospel; and developing their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the parish.
- Mission and outreach work.
- Teaching in the Local Schools.
- Charitable Giving.

The parish relies on the voluntary work of so many people and the PCC very much appreciates their service to the churches and the local community.

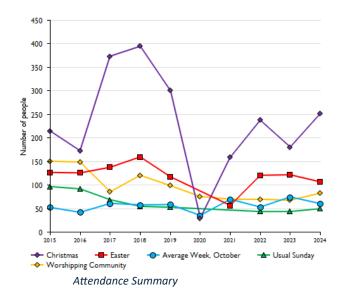

#### Achievements and Performance

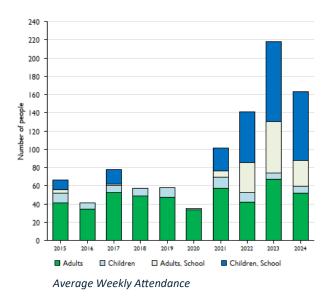

The PCC have supported developing and promoting the church within the local schools and encouraging young people and families to come to church by providing a variety of services and activities for them.

This year, we have held a multitude of services across the parish, catering for all. We are starting to hold more said services as our team of musicians are being spread around to cover as many services as possible. Numbers have generally stayed roughly the same, with the exception of Christmas which was well attended. Unfortunately, we have had a high number of funerals this past year and a low number of baptisms.

#### Worship and Prayer

We have maintained a regular pattern of worship across the parish, offering a wide variety of services. Remembrance Sunday was marked with an outside service in Stone at the Recreational Grounds Memorial with the Stone Parish Council and a Service of Remembrance was held at Dinton War Memorial.

Christmas were very well attended with 151 people in the congregation, up 71 from last year. Easter was down by 15 from last year with 106 people in the congregations.

The Electoral Roll membership rose by 1 to 67.

As well as our regular services, we normally enable our community to celebrate and thank God at the milestones of the journey through life. Through Baptism, we thank God for the gift of life. Families are expected to attend services before and after the Baptism in order to be welcomed into the Church family. In Marriage, public vows are exchanged with God's blessing, and through Funeral services, friends and family express their grief and give thanks for the person's life and commend them into God's keeping. We have celebrated 4 Baptisms, 4 Weddings and held 15 Funerals

\*\*Electoral Roll\*\*

This year. Preparation sessions for Baptisms and Weddings are normally held on a regular basis throughout the

The majority of our services were led by Rev'd Phil Groves and Rev'd Nigel Featherston, and supported by Richard Smith and David Pickup who led our lay led services.

#### **Deanery Synod**

benefice.

We have no ex officio members of the PCC who sits on the Deanery Synod at present so we have space for 2 representatives. They make reports to the PCC at meetings, which provides the PCC with an important link between the parish and the wider structures of the church. Anyone who stands for deanery synod in 2025 will only be a rep for 1 year.

Our next application for representatives is 2026 with a term of 3 years.

#### Pastoral Care

Some members of our parish are unable to attend church due to sickness or age and need to be visited and where Holy Communion has been given to those who have requested it. Pastoral Care is an important part of the Church.

#### Mission and Evangelism

We seek to find opportunities for outreach within the Parish and beyond.

We started running Little Wrigglers this year at the Stone Jubilee Pavillion which is a parent and toddler drop in group.

We delivered the annual Christmas Card around Stone listing all our Christmas services and wishing people a very Merry Christmas from the Church.

We also had our Christmas hamper and concerts in Dinton which have once again been very successful. SPP, Dinton has also been opening its doors regularly this year, not only for hires such as art exhibitions, but also for regular worship for the ROC which has been an enormous success for everybody involved.

#### **Parish News**

Our Parish magazine is distributed monthly by volunteers to subscribers, schools and nursing homes. In 2024 it made a profit of £1,891.54, up from £1,082.00. The magazine keeps the parishioners informed of important matters affecting our Church, and contains articles that help develop our knowledge and trust in Jesus. The Parish News subscriptions and advertising have continued to represent a valuable source of income for the PCC.

Many thanks to Mr David Pickup and his team for managing this.

#### Financial Review

We have spent the past year without a treasurer so we continue to pray that we may be able to find a new treasurer to take on the role.

We would like to thank the finance committee for taking on this role collectively and to Mrs Naomi Corbould for the bookkeeping until we are able to find someone to take on the role of treasurer. Many thanks yet again to all who continue to give generously and regularly to the Parish. Whether you have given through the Parish Giving Scheme, online, by plastic, or by means of cash or cheque, thank you!

Our income totalled £94,754.95. This was due to your kind generosity and the increase in income from users of our buildings and from weddings, baptisms, and funerals, as well as outreach activities and grants.

Our expenditure totalled £116,388.66 (up from £66,845.47 in 2023). Our Parish Share of £29,933.64 was paid in full.

#### **Volunteers**

We would like to thank all the volunteers who work so hard to make our Churches the lively and vibrant community they are, keeping them clean and welcoming with fresh flowers and up to date information. In particular, we want to mention our churchwardens Mrs Rosemary Jackson, Mrs Sue Birrell and Mr Raymond Medhurst who have worked so tirelessly on our behalf.

We would also like to thank Mrs Jenny Pickup who has provided our Pew Sheet every week, keeping us UpToDate with what is happening on a weekly basis.

Many Thanks also go to Ms Christine Ashbridge for organising the musicians for our many services across the year.

We would like to thank the teams that work tirelessly to clean and maintain our churches and churchyards and for the wonderful flower displays they create.

#### Structure, governance and management

The method of appointment of PCC members is set out in the Church Representation Rules and the Parochial Church Council (Powers) Measure 1956.

At Stone, Dinton and Hartwell the membership of the PCC consists of the Rector, Associate Rector, Clergy, Churchwardens, Deanery and Diocesan Reps, Lay Ministers, Treasurer, Secretary and members elected by those members of the congregation who are on the electoral roll of the church. All those who attend our services / members of the congregation are encouraged to register on the Electoral Roll and stand for election to the PCC.

The PCC members are responsible for making decisions on all matters of general concern and importance to the parish including deciding on how the funds of the PCC are to be spent.

New members can receive initial training into the workings of the PCC through Diocesan training courses. The full PCC met 5 times during the year with an average level of attendance of 69%.

A Standing Committee also meets when necessary to deal with emergencies.

Each church has a separate church committee for the day to day running and a fabric committee for the maintenance. The SJB and SPP committees report to PCC.

The PCC is also required to ensure that the financial statements are examined by an independent examiner or auditor prior to presentation to the Annual Parochial Church Meeting.

There are the following committees:

- PCC: The overriding decision making body.
- Standing Committee: The Standing Committee is a small selection of the PCC who meet to carry out any emergency PCC business between PCC meetings.
- Church Committees The SJB and SPP committees look after the day to day running of the respective buildings. Reports to the PCC.
- Fabric Committees Look after the buildings and the grounds of the respective Churches. Reports to the Church Committees.
- Finance and Compliance Looks after the finances and makes sure we fulfil our legal obligations. Reports to the PCC.

#### Safeguarding

The PCC has complied with the duty under section 5 of the Safeguarding Clergy and Discipline Measure 2016 (duty to have due regard to House of Bishops' guidance on safeguarding children and vulnerable adults). There have been no safeguarding cases reported this year. No cases have been referred to the diocese safeguarding officer.

#### **Introduction to 2024 Accounts**

The MyFundAccountingOnline accounts system has continued to work well and its ability to produce clear and accurate reports at any stage of the accounting year has considerably assisted the work of the PCC finance team.

This year the PCC Accounts have been simplified for ease of reading and understanding.

The overall situation was that there was an actual loss of £21,634. Although there was an increase in income in 2024 to £94,754.95 from £78,911.00 in 2023, the level of regular giving has declined, and most of the increase has resulted from one-off donations or legacies, or from sources which are inherently variable (e.g. fees from funerals and weddings). Expenditure was substantially higher in 2024 at £116,388.66 (£66,845 in 2023). Whilst over 50% of this increase is accounted for by the expected final invoices for the kitchen and toilet facilities at SJB, there have also been significant calls on general funds for maintenance and repairs to the church buildings and churchyards during the year, along with an upward trend in most regular costs, particularly utilities. As a result, the General Funds reserves of £30,000 have halved in one year. Although most of the increased expenditure during the year was anticipated, we clearly cannot maintain that level of expenditure without an increase in income.

In 2025, we will therefore need to focus on increasing regular giving if the churches are to continue to meet their commitments to serving their communities. We will also need to prepare to raise funds for two significant capital projects: much-needed improvements to the paths at SJB and a replacement heating system for SPP.

#### **Notes to 2024 Accounts**

- **1. Basis of Accounting.** The financial statements of the PCC have been prepared in accordance with the Church Accounting Regulations 2006 on the receipts and payments basis. The figures for 2023 are shown for direct comparison unless denoted by \*\*. The overall total includes General (Unrestricted), Designated and Restricted Funds.
- **2. Standing Order** giving more than halved due to one large donor moving away. Giving via the **Parish Giving Scheme** remains stable.
- **3. Loose plate collections** decreased from £4,600 to £3,816. Giving on the **Goodbox** Mini machines at services has increased. The 2023 figure included Goodbox donations at Café in the Park which is listed separately in 2024.
- **4. Stripe** is used for online donations to Unrestricted or Restricted Funds via the website.
- **5. One-off Gift Aid gifts.** £5,000 was received from one donor to fund Parish-wide Mission (new Restricted Fund).
- **6. Gift Aid recovered from HMRC** on named donations and **GASDS recovered** on service collections. The 2023 figure was an amalgamation of the two which are now listed separately.
- **7. Legacies.** One legacy in aid of SJB Fabric Fund for £5,000 was received from the late Mrs Carole Fryer.

- **8. Recurring Grants**. £2,000 Grocers' grant for the Incumbent at SJB. £1,000 Bergqvist Charitable Trust grant to SPP Fabric Fund.
- **9. One-off grants.** £500 from Stone with Bishopstone Parish Council and £500 from Stone Fete to Little Wrigglers to help with set up costs. £645 from Stone with Bishopstone Parish Council to SJB Fabric Fund for new churchyard equipment and £2,701 from LPOWS to SJB Facilities to cover the VAT paid on work invoices.
- **10. Fees for Baptisms, Weddings & Funerals.** Sadly 2024 many funerals were held at both SJB and SPP.
- 11. Church Lettings Christian Objectives. This is the income from the Romanian Orthodox Church using SPP for services reduced from £450/month in 2023 to £200/month from January 2024 and paid monthly in arrears. ROC also contribute two-thirds of SPP gas and electric bills which offsets the costs of increased energy consumption.
- **12. Café Donations** totalled £8340. During the year, the PCC received advice that, to continue to claim gift aid on Café donations, it needed to be certain that donors understood that they were making donations to Stone, Dinton
- and Hartwell PCC, rather than payments for refreshments. Although the PCC believes that all reasonable efforts to ensure that this was the case had been made, it made a precautionary decision to discontinue GASDS claims on Café donations from May 2024 onwards.
- **13. Little Wrigglers** attendees make a voluntary contribution of £2 per family/week to help cover hire of the hall, etc.
- **14. Parish News.** Income from Advertising, Subscriptions and Sales totalled £6,527, exceeding Printing Expenses of £4,635. A profit of £1,892 for 2024.
- **15. Dividends** from the CCLA CBF Investment Fund totalled £489 the number of shares held increased due to the SPP Organ Restoration Fund being invested.
- **16. Bank and Building Society Interest.** £110 interest was received by the CCLA CBF Deposit Fund quarterly at 4.99% AER (as at 30/9/24). £885 annual interest was received by the Stone Facilities funds in the Skipton Building Society at 3.65% (as at 16/8/24).
- 17. Church Lettings Fundraising. The Art Society hired SPP for 10 monthly meetings.
- **18. General Funds Income Total** for 2024 of £66,704 just below the £67,040 for General Funds in 2023.
- **19. Parish Share to Diocese.** In 2024 our Parish Share was £29,934 and was paid in full. This equated to  $\sim$ 45% of the General Funds income.
- **20. Benefice Costs for 2023.** £4,153 was paid in January 2024 from the Designated Fund set aside throughout 2023 and the remainder paid from General Funds. The costs for 2022 were paid in the Accrued Accounts of 2022 so are not shown.
- **21. Administration** included £596 for the Stone, Dinton & Hartwell website, email, etc for 3 years, £344 for annual CCLI Licences, £315 for Aylesbury Deanery Trust (Deanery Fees) and £228 for MFAO (Accounts system from Data Developments) the cost of £19/month is shared with Cuddington PCC.
- 22. Parish Mission. SJB Easter and Christmas cards, 'It's Your Move' books and a new SJB banner.
- 23. Organist Cost. The 2023 cost was only for 6 months due to 2023 Accounts being Accrual based.

- **24. Upkeep of Services / Consumables.** Includes candles, Palm crosses, Service sheets paper, Baptism candles, toilet roll, hand towels, refreshments, cleaning products, flowers, etc.
- **25. SJB/SPP Church Maintenance.** The 2023 figure was for both churches. General Funds cover servicing, annual safety checks, repairs of church fabric, replacement items, etc. Fabric Funds cover new items, SPP Roof Alarm, etc.
- **26. SJB/SPP Churchyard Maintenance.** The 2023 figure was for both churchyards. General Funds cover machine servicing, petrol, brown bins, repairs, etc. Fabric Funds cover new items. £2,966 for SPP path repair, £645 for SJB equipment (funded by a grant Note 9).
- **27.** Hartwell Graveyard Maintenance. £3,400 was paid to Village Tree Surgeons for tree and clearance work from the Hartwell Graveyard Fund.
- **28. SJB Facilities Project.** Final invoices: £21,756 to Wards and £1,896 to MDP Architects. A further £3,156 to MDP Architects for work on the New Path.
- **29. SJB/SPP Utilities.** Includes gas (at SPP), electricity, water, sewerage and internet at SJB. Costs offset by ROC contribution to SPP bills (Note 11).
- **30. Café Leader Wage.** The PCC employs the Café Leader who is paid from the Incumbent's Annual Grant from the Worshipful Company of Grocers'.
- 31. Café Expenses. Includes hiring the Jubilee Pavilion and purchase of food and other consumables.
- **32. Little Wrigglers.** £1,291 in setup costs (floor mats, toys, 1st Aid training, cups, bowls, etc). £1,000 received in grants (Note 9). Continuing costs include the hire of the Jubilee Pavilion, snacks, etc.
- **33. Goodbox/Stripe Fees.** Each service provider charges a small % fee per transaction. The PCC agreed such fees should come from General Funds to encourage donations and fundraising.
- **34. Miscellaneous.** £456 for two Goodbox Mini machines, £150 for hiring Stone Methodist Church for choir practise.
- **35. General Funds Expenditure Total** for 2024 of £76,865 exceeds that of £58,387 for 2023 by £18,478 **31%** increase.
- **36. CBF Investment Fund.** In addition to the £489 in reinvested dividends the fund value grew by £289. Averaging the investment over the year (£17,000) it had a total return of 4.57%. During the year £7,754 the SPP Organ Restoration Fund was invested in the fund. On 31/12/24 the fund comprised 22.49% Hartwell Graveyard, 40.38% SPP Fabric Fund and 37.13% SPP Organ Restoration Fund.
- **37. Barclays Main PCC Account.** The main current account contains both General and Restricted Funds all accounted for separately. During 2024 £350/month was transferred from General Funds to a Designated Fund to pay the annual invoice for Benefice Office fees.
- **38. Barclays No2 PCC Account.** Funds were transferred to this account to gain 1.4% AER interest. On 31/12/24 the £30,000 comprised £15,000 SJB Fabric Fund, £5,000 SPP Fabric Fund, £5,000 General Fund and £5,000 Mission Fund.
- **39. Stone Facilities Accounts.** Following completion of the Facilities project the remaining £12,113 will be used for the New Path. In August 2024 £885 interest was received into Skipton Building Society savings account which earns interest of 3.65% applied to the account annually or upon closure. Both accounts are managed by Mrs V Sewell-Rutter and Mrs S Birrell.

**40. Agency Collections.** Donations to external charities where the monies are paid into the PCC account and forwarded to the charity.

Throughout 2024 the following was raised:

SJB Coffee Cup Collection - Aylesbury Homeless Action Group = £234.81

SJB Coffee Cup Collection – Bucks Clergy Charity = £98.95

# Independent Examiners Report

# Independent Examiner's Report

# To the Trustees of Stone with Dinton and Hartwell PCC

This report is regarding the Accounts for year ended 31st December 2024, which are attached.

### The basis of this Report.

The Trustees of the P.C.C has agreed that an Independent Review is required in accordance with the Charities Act 2011, section 145 &152 for the above year. It is my responsibility to review the Accounts and ensure they comply with the above Act. Also to report any matters of concern which have been identified during this process. This review is not a full audit and therefore this report does not express an Audit opinion on these Accounts.

#### **Examiners Statement**

I can report that the Accounts are correct and can confirm that the records have been kept in accordance with the 2011 Act, however need to raise the following-.

- A) the overall financial loss for this year being £21.6k, comparing Income to expenditure is not sustainable. This level cannot be allowed to continue at this rate and would therefore recommend that future expenditure is closely monitored against income and that where possible grants are explored to cover major projects, prior to commencement.
- B) I would recommend a Reserve Policy should be prepared and agreed, which would provide for a reserve fund to be maintained. This should be a fund to cover running expenses for 3 months, estimated at £15k in the event of no income being available.
- C) With regard to the funds retained in Bank/ Building Societies, which were used for Toilet / Kitchen alteration and as the final certificate has now been paid, the P.C.C. should consider transferring Facilities Funds (£12.6k) to be included within the same Financial Management system which covers the General and Restricted Funds.

Follow up Items

- 1) Review overall financial situation.
- 2) Check Reserve Policy.
- 3) Check situation/action taken regarding Facilities Fund.

# St John the Baptist Church Report

At the start of the year the safety inspections were carried out and passed, the insurance and public liability were checked and paid and church returns were completed.

The Archdeacons Visitation took place in June and we came out in a very favourable light with all our policies in place and essential information on display. It was suggested that we try and open the church more and this will be looked at for 2025.

#### Works completed during 2024:

- The final bill for the Kitchen and Facilities was paid as was the final Architect invoice.
- Electrical items in the church were PAT tested, and any failures were either disposed of, replaced or repaired.
- Electrical work to move heater switches and add a new socket in the vestry and install lights in the tower ringing chamber and a new socket at the back of the church was undertaken by Glenisters.
- The wax altar candles have been replaced by oil filled ones which are proving to be cleaner and economical.
- Votive light holders were kindly hand made by Terry as we have had occasions when people visiting the church wanted to light a candle in memory of someone and we didn't have any specific thing for this purpose.
- The church had a display of knitted poppies for Remembrance in the churchyard which was lit in the evening for 10 days and very much enjoyed by those visiting. The neighbours commented on the lighting making the church look more beautiful and inviting.
- The corner steps became very unsafe during the year and had to be closed off pending re-seating in 2025.
- The area at the bottom of the Churchway steps had to have the stones removed and the area concreted following Raymonds serious fall.
- The Font booklet was completed and has been a good talking point. A local Historical Graffiti enthusiast contacted us to come and look at the font and any graffiti that he could find in the church.
- The church was opened to welcome people participating in Ride and Stride and it is planned to do this again in 2025.
- Café in The Park continues to be a great outreach place for the community and church.

### Other Fabric Updates:

- Plans for the path from Bishopstone Road to the church were drawn up by the architect and we were hopeful that the path could be done for the winter. The repair of the tomb by the path will be included in this project.
- A monthly Church Gardening session was held from March to November and in the later weeks of the year we had a group of men come from the Community Payback Scheme to help clear the grounds and boundaries of the church.
- This year an area in the churchyard was left wild for the butterflies and bees but it was generally a bad year for them so the count was very low.
- Socially Crafty continues to meet in the church on the 3rd Monday of each month and is very well attended.

As a church we were very pleased when Richard Smith completed his course and was Licensed as a Lay Reader to the Benefice.

We wish to express grateful thanks to those who work so hard to keep our church and gardens looking so well cared for.

The gardeners Ivor and Steve, the cleaners, Dee, Gwen and Sue, the flower arrangers Dee, Gwen, Sue, Clare, Shirley and Sue.

The Choir and organists; Chris, Richard and Stephan.

All others including Val who has helped to repair some of the Altar Falls and linen.

Jenny and Stephan who produce and distribute the Pew Sheet and Stephan for his work on the website and as PCC Secretary.

Clare who manages our Safeguarding.

Terry who has supported us as Churchwardens again this year.

Leaders and helpers at Café in the Park, Explorers and Socially Crafty. Finally for Phil and the Ministry Team especially for David and Raymond who have led our morning and quiet worship sessions.

We also thank you all for the support and help that you give in any way and invite anyone else who would like to help in any way at all to contact us to offer your help.

# SJB Fabric Report

Report For Annual Parochial Church Council From The Fabric Committee Of St John
The Baptist Church, Stone

January 2024 - December 2024

Monthly meetings have been held to report and discuss the requirements of the church and churchyard that are the responsibility of this committee.

During the year we have been very busy looking after what we have and trying to repair, update and improve things inside and outside of the church building. I would like to express grateful thanks to the Fabric Committee members who work so hard to continuously be observant, looking for anything that needs repairing or maintaining.

We were pleased to have the final bill for the Kitchen and Facilities and the final Architect invoice which we paid. Funds remaining from this project will be restricted for use on future facilities projects.

Electrical work to move heater switches and add a new socket in the vestry and a new socket at the back of the church was undertaken by Glenisters. They also installed spot lights in the tower ringing chamber to light the beautiful stained glass window in there. The wax altar candles have been replaced by oil filled ones which are proving to be cleaner and economical. This was necessary as we had a lot of wax drips and spills which created hard wax on the carpet which had to be removed.

Following many occasions when people visiting the church wanted to light a candle in memory of someone Terry kindly hand made Votive light holders for this purpose which are in the Lady Chapel.

The Font booklet was completed and has been a good talking point. A local Historical Graffiti enthusiast contacted us to come and look at the font and any graffiti that he could find in the church. He found lots and this proved to be very interesting so we held a Supper and Graffiti evening in the church at harvest which was attended by over 40 people. We had a soup supper and then a talk about the different graffiti which had been found and people could follow the historian to see for themselves what we had found. This information is now on our website.

The church had a display of knitted poppies, which were prepared by Socially Crafty, for Remembrance in the churchyard. Over a hundred poppies were on display and lit in the evening for 10 days. This was very much enjoyed by those visiting and the

neighbours commented on how the lighting making the church look more beautiful and inviting.

The corner steps became very unsafe during the year and had to be closed off pending re-seating in 2025.

The area at the bottom of the Churchway steps had to have the stones removed and the area concreted following Raymonds serious fall.

The church was opened to welcome people participating in Ride and Stride and it is planned to do this again in 2025.

#### Ongoing Fabric Updates:

- Plans for the path from Bishopstone Road to the church were drawn up by the architect and we were hopeful that the path could be done for the winter. This was very optimistic as when the tenders came in they were a lot higher than expected. When the Faculty request was made the DAC members arranged a site visit and the plans have been revised to continue the path round to Churchway so new tenders will have to be obtained. The repair of the tomb by the path will be included in this project. A Fund Raising effort will have to start in order to fund this which will be split into 3 parts; the tomb, path from Bishopstone Road to the porch, the porch to Churchway path.
- A monthly Church Gardening session was held from March to November and in the later weeks of the year we had a group of men come from the Community Payback Scheme to help clear the grounds and boundaries of the church. This was a wonderful thing for the church to do as whilst the men had to attend they were very willing to work and grateful for conversation and praise for a job well done. They offered to come back later in the Spring to help again.
- For the second year we have been very grateful to the Parish Council who gave us a grant to purchase a wheeled strimmer, long reach hedgecutter and chainsaw which have all been well used.
- This year an area in the churchyard was left wild for the butterflies and bees but it was generally a bad year for them so the count was very low.
- Socially Crafty continues to meet in the church on the 3rd Monday of each month and is very well attended. A Christmas Fair was held in the church with many of the items for sale made by members and £500 was raised for the Fabric of the Church. I also thank you all for the support and help that you give in any way and invite anyone else who would like to help in any way at all to contact us to offer your help.

# **SPP Fabric Report**

Report for St Peter and St Paul Church, Dinton for January 2024 until January 2025

This year has proved very successful in many ways but we have also coped with some difficulties with more on the horizon. The good things first. We have seen a gradual growth of our congregation throughout the year. Our regular once per month Evensong has been well attended with consistently over 25 in the congregation. The weddings, funerals and baptisms have seen full churches and the special services – Patronal, Harvest, Remembrance Services, Carol Service and Christmas day Service have also been full. A new service was added in October for those who had been bereaved, it was called a service of Living Remembrance and was much appreciated by attenders. With regard to the Church Fabric we need to thank George Piciaragu for installing a new path for us. How wonderful it is not to have to slurp through mud all winter!! Now the not so good news. In December disaster struck with the failure of the heating, meaning there was no heating for the Carol Service. Having discovered there were leaks in the underfloor water pipes we all feared for the worst but some sterling work by our Assoc.Rector Phil Groves and our heating engineers saw the heating reestablished before Christmas Day. Unfortunately, we are well aware that the boilers are very old and that anything could happen to the heating at any time and so we are actively considering alternative heating systems.

This will be a time bomb in terms of a major expense but an even bigger problem on the horizon is the concrete rendering on the outside walls which is shedding and leaving the stone vulnerable to damaging weathering. This is mainly visible on the external west walls and the north corner.

There is a problem inside the church as well. The church owns two beautiful Victorian brass candelabra, and they are becoming extremely rickety and fragile. We had an expert silversmith examine them recently and his view was that they should be decommissioned until such time as they can be restored by a specialist.

**Romanian Orthodox Church** – Our partnership with the Romanian Orthodox Church (ROC) has gone from strength to strength. We will continue to discuss our partnership in regular meetings.

**Arts Society of Aylesbury** – we welcome the Arts Society on the first Tuesday of every month. There are usually over a hundred people present to hear a visiting speaker and have refreshments.

#### **Pattern of Services**

We continue to have three regular services each month with the first Sunday being a 9am Holy Communion Service with hymns: the second Sunday being a Choral Evensong Service at 6pm. The fourth Sunday is a 9am Holy Communion without music, which is currently being held in the side chapel to create a more friendly atmosphere.

#### Upkeep of the church

We have a rota of sidesmen in order to ensure we can verger every service.

Churchyard Gardening a small group meet on the second Saturday of each month to strim and mow and dig out weeds

Cleaning Rota – This is a major task but could be so much easier if there were a few more volunteers.

Bellringers –The Tower Captain is teaching three new people which is wonderful, and he would be pleased to hear from anyone who has had previous experience and would like to join.

Flower Ladies – the flower ladies group make some beautiful displays which really brighten up the church.

WELCOME TO EVERYONE COMING INTO ST PETER AND ST PAUL CHURCH IN DINTON Rosemary Jackson,
